## **3. MINIMAL VENUE SPECIFICATIONS**

Stage dimensions: Minimum 8 m wide x 8 m deep x 5 m high from lamps to floor  
Audience seating: Raked audience seating  
Floor: Wooden floor with white dance vinyl

*Note: If minimal dimensions are not met, please contact us to see if the performance can happen in your theatre!*

## **4. ABOUT THE PERFORMANCE**

Five performers are re-enacting a German military parade (made to honor Angela Merkel) in a black box with white dance vinyl floor. The stage is empty except for a tripod mounted with a teleprompter (see pictures at the end of this document). They move freely around in the space throughout, dancing, talking, singing. At the end of the show it will “rain” with rose petals from the ceiling where the rose petal boxes are hanging.

## **5. WHAT WE BRING**

3 wooden rose petal boxes (b: 125 cm, d: 30 cm, h: 26cm) + motor + controller and tubes to connect the 3 boxes  
Props: teleprompter + tablet + rose petals
